AND MY SPIRIT REJOICES IN GOD MY SAVIOR - LUKE 1.47

“Life can’t be seen through a simple selfie, but through Christ, our lives are complete.” - SM

Let’s go!...we said 16 years ago. But we never imagined that this path would lead to such an incredible and exciting life. Each step has been covered by God’s grace by loving people like you through your prayers and constant generosity. God has used you and many situations to show us how much we needed to still be taught. We are still learning to be better parents, better friends, better children of God...but we did say...”let’s go!” as if it were an adventure. And it has been! As we left important things behind to reach better things ahead through living for Christ. He has given us a vision for this life that goes beyond a simple selfie. It is a vision for Christ and his fullness. Merry Christmas beloved friends.

YOUTH MINISTRY

God gave us a few incredible days with our special guest speaker, Dan E. Nuesch, co-director of WOL Argentina, who challenged us with the Word of God. More than 130 college students and leaders enjoyed this international camp, putting us over our goal of 900 campers during 2016. The theme for the week was: *"The True Ministry"*.

OUR STUDENTS

Israel, Oriol, Daniel, Ismael, Gabriel and Josue are young Spaniards that are fruit of the true Gospel. They have taken on the great challenge of studying the Bible at the WOL Bible Institute in Hungary and Argentina to prepare themselves to serve God. Pray as God is forming and challenging them.

TOTAL LIFE MANAGEMENT

How timely and what a great impact it was to have our brother in Christ Bruce Peterson from the States. He represents the company Premier Designs in Texas. He spoke to us about *Total Life Management*. We enjoyed great fellowship and excellent entertainment at the Restaurant "La Terraza" in Campins, Barcelona.

WOL & JONI AND FRIENDS

What a tremendous blessing it was to see the Lord using the fellowship between WOL Europe, Joni & Friends (Doug Mazza, Steve Bundy) and WOL Argentina for a transcultural impact. We are also thankful to Andres and Mirta Fernandez Paz, co-director of WOL Argentina, for the challenge of the Word of God in the Conferences in Barcelona.

NEW MISSIONARIES

Blessed are we... doubly happy are we with the arrival of the Ripoll Family. Pablo, Allison, Lucas, Micaela and Lucia joined our staff in Word of Life Spain at the beginning of December. They are settling in and ready for their first Catalan Christmas!

NORTH AFRICAN TRIP

We never imagined that we would be so blessed by our brothers in Christ, Andres, Milli, Gaston, Gisel and their children, who serve in North Africa. They taught us in such a simple way how to show love to the needy in a completely dark area. But it is where two or three are gathered together that Jesus is manifested. It was there in the beauty of His church that God sent eternal life through the power of His love. Oh, how we could sing! There is so much that we could learn from these families and from the dozens of children that they serve. With such great physical difficulties, they appreciate the simplest of things in this life, such as a simple smile or the simple echo of your presence next to them. We are so thankful to each of them for being an inspiration from Heaven. I am also profoundly thankful to our brothers, Andres and Mirta Fernandez Paz, Doug Mazza and Steve Bundy who made this trip possible.

CENTRAL OFFICES FOR WOL SPAIN

So close...so very close to reaching another goal for our ministry here in Word of Life Spain. Lord willing, in January 2017, we will close on the purchase of our Central Offices. They will serve not only as our place of work, but also as the face of Word of Life to the public here. Thanks to visibility and location we will be able to use different youth activities in many different aspects in our community. This is very important in the context of our culture. The location could not be any better. It is situated in the center of la Vila de Sant Celoni (See photos above, historic hub). We pray to reach the greatest number of people with the Gospel, honoring also those that have blessed so many through their investment!
